

Look For Me

A LOVE STORY THAT CHANGES EVERYTHING

When you have a thousand
years, a lot can happen.

The year was 1955. Hollywood's biggest star couldn't get the studios to hire her. Misty Adams had gotten too big and she was more than just "difficult." New York photographer David Ross had an idea. If he could re-start her career he could jump start his own. But getting close to the famous Misty Adams was almost impossible. But then David reasoned, "If it was easy, everyone would be doing it."
